YOUR CARD AND REFLECTION PROMPT

THE MAGICIAN
Possibility grounded in practice

USEFUL QUALITIES
Imagining change and connecting ideas into a new perspective.

POSSIBLE SHADOW PATTERN
Expecting intention alone to determine outcomes, or overlooking practical limits.

A FAMILIAR MOMENT
You can picture a different life clearly, but the next practical step remains vague.

A PERSPECTIVE TO CONSIDER
A compelling image of change can help you notice possibilities. It does not control events or other people. Pairing imagination with evidence, resources and action makes the possibility easier to explore.

WHAT MAY NEED MORE ROOM
Patience with ordinary work, uncertainty and limits can support meaningful change.

FINDING A BALANCE
Keep the vision, identify what is within your influence and make room for outcomes you cannot guarantee.

REFLECTION QUESTIONS
1. What change am I imagining?
2. What is within my influence?
3. What resources or help would make a step possible?

ONE SMALL EXPERIMENT
Translate one wish into an action you can complete or request this week.

A PHRASE TO KEEP

Possibility becomes clearer through practice.

CONNECTING THIS WITH EVERYDAY LIFE

A wish for change can connect with goal-setting, motivation and feeling overwhelmed by the distance between an idea and everyday life. You may want to explore values, practical problem-solving and small actions within your influence, while allowing for circumstances you cannot control.

For practical worksheets, free downloads and resources, visit https://selfimprovecoach.com/ and choose a topic that feels useful. No need to work through everything.

This collection uses the twelve-archetype framework developed by Carol S. Pearson, building on Jungian ideas. Names follow Pearson’s current terminology; earlier names include Innocent (Idealist), Orphan (Realist) and Destroyer (Revolutionary). https://carolspearson.com/about/the-pearson-12-archetype-system-human-development-and-evolution
